7 pm - SUNDAY, JULY 25, 2021 - Mud Bog

Registration 4-6pm

Race 7pm

Any class with more than 30 trucks will only get 1 flag instead of 2 due to time.

Entry fee \$25 car/driver per class

Pit Passes \$20.00

No intoxicating substances of any kind allowed in the pit area

FARM/STREET CLASS RULES (this is one class)

Must have working four wheel drive and tow hooks or chains.

1. Engine must be stock and match manufacturer. (Chevy Truck...Chevy Engine)
2. Engine radiators need to be in stock location.
3. Engine must maintain 16 inches of vacuum at 1000 RPM.
4. All sheet metal must be present; including hood. Bumpers optional.
5. No cosmetic changes beyond paint work and safety features will be allowed. Fuel cells will be allowed due to being a safety feature.
6. Must have complete interior including dash; Headlight and taillight assemblies required; they do not necessarily have to work.
7. Seat Belts "that work" are **MANDATORY!!** Can have 4 or 5 point harnesses. Helmets are required for both driver and passenger!!!!!!
8. Flat beds must have some type of truck bed cab to bumper and wheel to wheel.
9. Roll bars recommended but not required.
10. Nitrous, Blowers, turbochargers, or any other non-liquid additives are not allowed. Exception to the rule is "turbo diesel".
11. Any DOT approved tire 33 inches or shorter and 12.5 wide will be allowed. TIRES CANNOT BE CUT! No ATV or AG rics will be allowed.

12. No brake modifications...all four brakes must work.
13. Battery is to be in the factory location and tied down.
14. 4 or 6 point roll cage is recommended but not required.

PRO-STOCK CLASS & LIMITED STOCK (this is one class)

1. Must have working four wheel drive and tow hooks or chains.
2. Engine must be stock and match manufacturer. (Chevy Truck...Chevy Engine)
3. Engine needs to be in stock location.
4. No Nitrous, blowers, or turbo-chargers. Alcohol Fuel is allowed but must have additive and Flame Retardant suit required. Trucks running Alcohol need to tell us at Pit gate so that we can flag your truck and alert Fire Dept. Fuel cells most definitely allowed.
5. Radiator in stock. Tranny coolers allowed.
6. Dual brakes/Turning Brakes allowed in this class.
7. MUST have TIRES 31 inches or shorter and 12.5 wide, allowed to be cut.

MODIFIED/OUTLAW CLASS (this is one class)

Must have working 4 wheel drive.

1. Must have front and rear tow hooks/chains.
2. Engine does not need to be on stock location but should 6 inches from axle.
3. Nitrous and alcohol fuel is allowed but is mandatory to alert staff.
4. Must have roll cage and 5 point harness,
5. Must have street legal tires 35 inches or shorter and 12.5 inches wide or skinner.
6. No quad steer.
7. Fuel cell is a must unless you bumped up from Street/Farm Stock, however, YOU MUST HAVE A 6 POINT CONNECTED ROLL CAGE.

OUTLAW CLASS

Engine has NO LIMITATION

1. Tires that are not street legal AND not indicated for street use will be allowed.
2. Front and rear tow hooks or chains.
3. Must have 5 point harness.
4. Must have 6 point roll cage.

Any questions call or text Jess 515.321.5769

MADISON COUNTY 2021 MUD BOG CHANGES

PLEASE READ!!

ATTENTION DRIVERS:

In the past there was changes trying to be made at the last minute that caught the staff and drivers off guard. Our understanding is that surrounding tracks are going by Western Iowa Mud Racing Rules. Therefore, those trucks will be classed according to their inspection sticker.

We will have some trucks that will need to be inspected and vacuum tested; engine must maintain 16 inches of vacuum at 1000 rpm. You may bump up at the cost of another entry fee at time of registration, however, there will be no refunds if you break. **Farm/Street Stock trucks MUST have roll cage to bump classes.**

Don't forget all the extras you might need: Extra belt, Helmets, Jack, Spare Tire & wheel, Tools, Duct Tape, Fire Extinguisher, and Fuel. I know it's a short list.

\$1000 added to each night and 100% payback!
